## A404 and A404(M) Road Marking Renewal

I am writing to advise that Kier Highways, on behalf of Highways England, are renewing the road markings along the A404 and A404(M) north and southbound carriageways to ensure road user's safety. It is not expected that these works will generate excessive noise, however we would like to apologise in advance for any disturbance caused during the works.

In order to carry out the work as efficiently and safely as possible, work will be undertaken whilst closing the following sections of the A404 and A404(M) overnight, between 10pm and 6am (Monday to Friday only):

<b>Dates*</b>	<b>Route</b>	<b>Closure</b>
Monday 15 May for 2 nights	A404(M)	Northbound from M4 junction 8/9 to A404(M) junction 9b
Wednesday 17 May for 2 nights	A404	Northbound from Burchetts Green to M40 (Handy Cross)

Wednesday 24 May for 2 nights	A404(M)	Southbound from junction 9b to the M4 junction 8/9

**Confirmed dates for the closures will be displayed in advance on signs along the A404 and A404(M).**

During the closures, the following clearly signed diversions will be in place suitable for all types of vehicles:

- **A404 Southbound Closure** – traffic will be diverted via Wycombe Road, A4155 to Henley-on-Thames and A4130 Henley Road. A secondary route will be in place from Marlow through Bisham and across the roundabout for those wishing to access the A308
